Firstly I would like to thank the Anglian Boxer Club committee for inviting me to judge the Special Puppy Stakes and Special Junior Stakes. My husband and I had a warm welcome and a lovely day. I had a quality entry and was splitting hairs with my principal winners on the day as the quality was so good. Thankyou to all who entered under me.

1<sup>st</sup> Norwatch Sunhawk Gigolo B/W boy who immediately caught my eye on entering the ring. A lovely headed boy, dark eyes, well padded muzzle with good straight mouth, his expression was typical boxer being alert and full of himself. Lovely reach of neck which flowed into a good top line, good tail set, nice and square in profile with evident chest and good rear angulation. Very good movement, and I am sure he will have a bright future.

1<sup>st</sup> Lanfrese Suits Newlaithe. This youngster was my Best Special Puppy Bitch in Show and my Best Special Puppy Overall! Dark B/W Bitch who just melted me. Absolutely loved her, she is stunning in profile, I loved everything about her. A pretty head with dark eyes, mischief written all over her as I got her cheeky expression. Bodily it's all there, there's nothing I would want to change, she owned the ring with her presence and moved a dream around the ring. A super puppy. I will watch her show career.
